

RAJITA CHOPRA

ABOUT ME

I'm Rajita Chopra and I have a passion for writing. I enjoy writing on a variety of topics and I take pleasure in immersing myself in learning about new and exciting areas.

I have plenty of experience in the mental health field and educational setting as I have a bachelor's in Psychology and have worked in education for many years.

My primary writing focus is on article, blog, site content and newsletters, but I am always open to other areas of writing.
